Dear Clients,

Florida's 2015 Minimum Wage

Effective January 1st, 2015, Florida's minimum wage will increase from \$7.93 to \$8.05, with a minimum wage of at least \$5.03 per hour for tipped employees.

On November 2, 2004, Florida voters approved a constitutional amendment which created Florida's minimum wage. The minimum wage applies to all employees in the state who are covered by the federal minimum wage.

Florida Statutes require employers who must pay their employees the Florida minimum wage notice in a conspicuous and accessible place in each establishment where these employees work. This poster requirement is in addition to the federal requirement to post a notice of the federal minimum wage.

Sincerely,

Cape Coral Accounting Service LLC
